VISION

To emerge as an international standard for innovation and commercially viable Engineering and Construction solutions to our clients.

MISSION

To achieve balance, profitable growth by building a solid relationship with our client and suppliers, developing our asset (our staff), selecting market in which we can establish and maintain a competitive advantage and continuously improving our business processes and organization.

CORE VALUES

In every aspect of our work, Seedco recognizes that people are the company's most invaluable asset. To this end, the organization believes in safety, dignity, teamwork, communication, reliability, creativity, excellence and lasting integrity of all stakeholders.

INTRODUCTION

At Seedco, we've made our name through comprehensive management controls, highly competitive pricing, and our bottom-line commitment to quality.

Our project management approach is designed to achieve the outcomes that all project stakeholders expect, while controlling costs, ensuring quality, and the completion of projects on time – Every Time.

SEEDCO is the ideal selection as your General Contractor – Or partner, for your next project. Seedco staff includes engineers, construction managers, coded welders, pipe fitters, mechanical fitters and electricians etc. We are experienced in all areas of construction, and contract management. Further, we have a full complement of qualified sub-contractors to augment our in-house capabilities, which enables us to meet all contract requirements.

Our project history includes numerous general construction contracts valued from \$100,000 to \$6,000,000

Seedco has a comprehensive performance history on major contracts with mining companies in Ghana and West Africa sub region worth over US\$8,000,000.00 (eight million US Dollars) for the past five years.

Seedco leadership and project managers have a background from Group Five since 1997 overseeing construction projects from Goldfields open cast to Newmont Ahafo Plant, Yetala and Sadoila Plant in Mali.

OUR CLIENTS INCLUDE

Goldfields, AngloGold Ashanti Ghana, Newmont Gold Corp Ahafo, and Newmont Gold Corp Akyem.

AngloGold Ashanti Guinea – SAG, ArcelorMittal in Liberia, lamgold in Burkina, PW etc.

Fabricate 600mm steel Lateral TEE with rubber line for Goldfields Ghana.

Seedco offers your project the benefits of quality, cost competitiveness, and the experience of a proven contractor. Throughout our history, we have met every contract cost, schedule and performance requirement for all projects we've been awarded. If proven performance and reliable results are important to you, Seedco Construction will be your preferred contractor. Seedco Construction was incorporated in 2005 and has since expanded to the following countries;

- **Guinea in 2014,**
- **Mali in 2016 and**
- **Burkina Faso in 2018**
- **and will soon be in Ivory Coast.**

Localization is one of our main goals that informed our expansion in to the West Africa mining sector so we could meet our client needs and serve them better, and also supporting the communities we find ourselves. Our capabilities include all aspects of SMPP, General Contract and Construction management and execution. In the performance of contracts, Seedco Construction provides engineers, coded welders etc., experienced in each area of construction and design that will be required for success within the scope of work typically presented by the contracts we are awarded. George Dorleson is the founder of Seedco he is an entrepreneur who has vast experience in managing projects including being the project manager for Group Five overseeing Newmont Ahafo mine and two different projects successfully. He has performed at every level, from working in the field, to managing all of the business' contracts and functions and delivered outstanding performance and customer satisfaction on very project.

At Seedco Construction, our number one goal is our customers' satisfaction. Each job-site team adopts the mission and objectives of our customer, forming with the customer a seamless connection and an organization that resembles the customer's organization itself. Seedco's reputation for quality, timeliness, consistency, technical capability, flexibility, good communication, and competitiveness, have established Seedco as a Best Value contractor.

“As our client, we make the following commitments to you”

We will deliver the highest quality level attainable on every project we undertake. We will be on -schedule, responsive and prompt with every request and contract requirement. We will provide fully qualified and technically capable staff.

We will authorize our on-site staff to independently solve problems and develop strategies to make each project more efficient and successful. We will appropriately formulate performance metrics and on-site organizational structure to meet the needs of each contract and customer. We will make full use of our human, financial and technical resources to achieve the performance objectives of each contract.

We will communicate frequently, professionally and effectively.

We will be fair and competitive in pricing and strive to provide customers with the best value on every project.

Seedco Construction Delivers Reliable Results with an Experienced Team”

MR. GEORGE DORLESON - Managing Director.

Mr. Dorleson is an entrepreneur who has over 15 years' experience as project manager for Group Five, and site supervisor for Motherwell Bridge. He has contracting experience in Piping, structural steel and mechanical installation etc. Overseeing many projects for Seedco over the past 10 years. George oversees the entire operation of Seedco Construction.

ROMMEL NUDJOR KOFFIE - General Manager

Rommel Koffie has 16 years of experience in the mining and construction sector. He has served in various capacities over these years. He has experience in mining, quality control, cost estimation and project management.

SEBASTIAN KENNEDY DORLEAGBENU - Contracts Manager

Sebastian Dorleagbenu has 14 years of broad construction experience including 5 years as a contract manager with overall responsibility for projects including estimating, procurement, CPM scheduling, project administration, negotiations and project management.

He has been directly responsible for the completion of projects with an aggregate volume of more than \$4,000,000 and design build experience of over \$1,000,000.

Godwin Wayne Mensah is our commercial manager with nearly 8 years of experience; He is extremely proficient in all aspects of our commercial and project management, administration and operations in the construction industry.

In addition to the above, each of Seedco staff members has significant experience with other

Contracts. They possess all the experience, necessary to successfully win and manage design-build and other construction contracts.

OUR CORE SERVICES

PIPING

- **Steam Piping**
- **Fuel/Oil Piping**
- **Piping fabrication and installation**
- **HDPE Pipe fusion and installation**
- **HDPE&LLDPE Liners suppliers and installation**

GENERAL FABRICATION AND STRUCTURE MODIFICATION

- **Structural steel fabrication**
- **Conveyor gantry fabrication**
- **Workshop upgrade**

RUST CONTROL AND SURFACE PROTECTION

- **Abrasive blasting**
- **Painting**
- **Hydro blasting, sand blasting, Corrosion Control**

PLATE WORKS

- Tanks
- Chutes
- Launderers

PLANT MECHANICAL INSTALLATION (SMPP)

- Construction of Fixed and Floating Roof Tanks
- Mechanical Equipment Installation including pumps, crusher, screens, steel structures, and conveyors including belts splicing
- Refurbishment, Repair and Relocation of Mining Plant & Equipment
- Field and Shop Capabilities as well as Local and Overseas Procurement

INSULATION

- Lagging of Pipes
- Lagging of Tanks

CIVIL ENGINEERING WORKS

- Design Works
- Construction and Maintenance of Building

LABOURE HIRING

- **Coded Skilled Laboure of various fields in construction**
- **Boilermakers**
- **Welders**
- **Mechanical fitters**
- **Riggers**
- **Pipe fitters**
- **Rubber lining**
- **Equipment operators (crane, manlift, telehandlers and earthmoving equipment)**

PROJECT LISTING

N	Project	Client
o.		
1	Newmont Ahafo TSF Expansion	Newmont Ghana Ltd
2	TSF Cell 2 Construction	Newmont Akyem
3	800mm steel pipes for TSF Installation	AngloGold Ashanti Guinea (SAG)
4	Crusher plant Installation	Cassidy Gold Guinea
5	Plant maintenance works (Labor hiring) – On going	AngloGold Ashanti Guinea (SAG)
6	Lagging of cyanide pipes, steam vessels etc.	AngloGold Ashanti Guinea (SAG)
7	Refurbishment of CIP tanks	AngloGold Ashanti Guinea (SAG)
8	Installation of raw water pipeline – On going	AngloGold Ashanti Guinea (SAG)
9	Installation of HDPE pipes during construction phase	PW, Teranga Mines Burkina Faso
10	Fabrication and installation of new feed conveyor	AngloGold Ashanti Iduapriem Ltd (AAIL)
11	Insulation, cladding, fusing and laying of hdpe pipes and installation of ultra -filtration systems for reverse osmosis plant	Abiema Teyma Infrastructure Ghana Ltd.
12	Grand pump and Tech Taylor valves installation	AngloGold Ashanti Guinea (SAG)
13	Fabrication and installation of carbon cascading columns (heap leach)	Gold Fields Ghana Ltd
14	Installation of 8km of 600mm diameter steel pipe for raw water	AngloGold Ashanti Guinea (SAG)
15	Refurbishment of Metso crushing plant (Fabrication and installation of chutes and conveyor gantry)	Arcelor Mittal, Liberia
16	Awarded SMPP to install new gold room structures, piping and tanks- currently ongoing.	AngloGold Ashanti Tarkwa
17	Awarded New crusher plant structure steel and crusher installation currently ongoing	AngloGold Ashanti Tarkwa
18	Awarded Fabrication and installation of 2 pregnant tanks for Goldfields Ghana Tarwa mine – currently ongoing	Tarkwa Goldfields
19	Installation of geomembrane for Newmont Gold Corp Akyem mine	Newmont Akyem mines
	Supplying Labour for daily maintenance for AngloGold SAG- currently on going	AngloGold Ashanti SAG -Siguiiri mine Guinea.

PROJECT GALLERY

Fabrication of Stacker Conveyors for ArcelorMittal

Installation of Stacker Conveyor and chutes for Arcelor Mittal

ONE SET OF CASCADE COLUMNS FOR GOLDFIELDS GHANA

COMPLETE SET OF CASCADE COLUMNS AND SCREENS FOR GOLDFIELDS GHANA

A 3D HEAD PUMPS AND TEC TAYLOR VALVE UPGRADE FOR ANGLOGOLD ASHANTI SAG

INSTALLATION OF GATE VALVES ON NEW TSF PIPELINE FOR IAMGOLD ESSAKANE

NEW COVEYOR SYSTEM INSTALLATION FOR ANGLOGOLD ASHANTI TARKWA

INSTALLATION OF GATE VALVES ON NEW TSF LINE FOR IAMGOLD ESSAKANE

USION OF 800mm HDPE PIPES FOR NEWMONT GOLD CORP AKYEM MINES

INSTALLATION OF 8KM 800mm STEEL PIPES FOR ANGLOGOLD ASHANTI TSF SAG SIGUIRI

NEW WATER TREATMENT TANK AND PIPING WORKS FOR GOLDFIELDS GHANA

SAND BLASTING OF GOLDFIELDS NEW CABON HOLDING TANK.

INSTALLATION OF RAW WATER PUMPS AND HEADER PIPES FOR NEWMONT GOLD CORP AHAFO MINE

INSTALLATION OF 630 TSF PIPELINE AND SPIGOT DROPPERS FOR NEWMONT GOLD CORP AHAFO MINE.
